Dear Sir/Madam,

Thank you for holding in your portfolio one or more shares of the **Lyxor MSCI USA ESG Broad CTB (DR) UCITS ETF** sub-fund.

On 17 November 2023, your sub-fund will be absorbed by the Amundi MSCI USA ESG Climate Net Zero Ambition CTB UCITS ETF sub-fund, a sub-fund of Amundi ETF ICAV. In concrete terms, this means that you will now hold, for the same amount, the same number of shares in the Amundi MSCI USA ESG Climate Net Zero Ambition CTB UCITS ETF sub-fund, replacing your shares in the Lyxor MSCI USA ESG Broad CTB (DR) UCITS ETF sub-fund.

The details of this operation are explained in the attached document entitled "Notice to shareholders: Lyxor MSCI USA ESG Broad CTB (DR) UCITS ETF". Approved by the AMF, this notice contains all the information required for these operations in accordance with the regulations in force. This comprehensive and detailed document will help you familiarise yourself with the potential implications of these operations for your investment. We would therefore recommend that you read it carefully.

MERGER OF THE SUB-FUND

Lyxor MSCI USA ESG BROAD CTB (DR) UCITS ETF,
a sub-fund of the Multi Units France SICAV (ISIN codes: FR0011363423 and FR0010296061)
into the sub-fund Amundi MSCI USA ESG Climate Net Zero Ambition CTB UCITS ETF,
a sub-fund of the vehicle under Irish law, Amundi ETF ICAV
(the "Merger")

The capitalised terms appearing in this letter correspond to the terms defined in the prospectus.

Dear Sir/Madam,

Thank you for holding shares in the **Lyxor MSCI USA ESG Broad CTB (DR) UCITS ETF** sub-fund, a sub-fund of the **Multi Units France SICAV (the "Absorbed Sub-Fund")** managed by the management company AMUNDI ASSET MANAGEMENT ("**AMUNDI AM**").

What changes will be made to the Absorbed Sub-Fund?

As part of the ongoing review of the competitiveness and clarity of its range of products, and with a view to generating more efficiency in the interest of investors, the management company Amundi AM has decided to merge your **Lyxor MSCI USA ESG Broad CTB (DR) UCITS ETF Sub-Fund** of the SICAV Multi Units France with the **Amundi MSCI USA ESG Climate Net Zero Ambition CTB UCITS ETF Sub-Fund** of the ICAV Amundi ETF ICAV (hereinafter the "**Receiving Sub-Fund**") on 17 November 2023.

This transaction does not result in a change to the risk/return profile. Likewise, the SRI risk indicator, as well as actual costs, remain unchanged.

Following the transaction described below, you will become a shareholder of the **Amundi MSCI USA ESG Climate Net Zero Ambition CTB UCITS ETF Sub-Fund** of the ICAV Amundi ETF ICAV, managed by Amundi Ireland Limited, an Irish management company authorised by the Central Bank of Ireland.

The merger is a “cross-border” merger as provided for in Articles 37 et seq. of Directive 2009/65/EC (UCITS IV Directive). The merger involves two UCITS which are governed by different laws.

We would like to draw your attention to the fact that, from 17 November 2023, if you wish to participate in the merger described below, any questions and disputes relating to your rights and obligations as a shareholder of the ICAV Amundi ETF ICAV will be subject to the regulations and jurisdiction of the Irish courts.

When will these changes take place?

This transaction will take effect on 17 November 2023 (the “**Effective Date**”).

For investors trading on the primary market:

To ensure the successful completion of this transaction, you will not be able to subscribe for new shares or request the redemption, free of charge, of your shares on the primary market from 6:30 pm on 13 November 2023. As the Absorbed Sub-Fund has a daily valuation, the last net asset value of the Absorbed Sub-Fund on which subscriptions or redemptions may be executed prior to the merger transaction, will be the net asset value of 13 November 2023.

For investors trading on the secondary market:

The Absorbed Sub-Fund is an Exchange Traded Fund (ETF). **Therefore, investors who are not Authorised Participants must, in principle, buy or sell the shares of the Absorbed Sub-Fund on the secondary market.** An order to buy or sell shares of the Absorbed Sub-Fund on the secondary market may be placed up until 16 November 2023. **However, placing such an order will result in costs that will not be borne by the management company of the Absorbed Sub-Fund.**

Investors will also trade at a price that reflects the existence of a bid-ask spread. **These investors are advised to contact their usual broker for further information on the brokerage fees that may apply to them and on the bid-ask spreads they may incur.**

Please note that investors participating in the merger will receive in exchange for their shares in the Absorbed Sub-Fund, shares of the Receiving Sub-Fund, which may also be bought or sold on the secondary market.

What is the impact of this change on the risk and reward profile and/or on the risk/return profile of your investment?

- **Change to the Risk/Return profile:** No
- **Increased risk profile:** No
- **Potential fee increase:** No
- **Scope of changes to the risk and reward profile and/or in the risk/return profile:** Not significant

What is the impact of this change on your tax position?

Investors' attention is drawn to the fact that the merger by absorption may have an impact on their personal tax position, insofar as the Absorbed Sub-Fund is established in France while the Receiving Sub-Fund is established in Ireland, and also on account of the merger transaction itself.

Investors should contact their usual financial adviser in order to assess the possible impact of the Merger on their personal tax position.

What are the main differences between the Absorbed Sub-Fund you currently hold and the future Receiving Sub-Fund?

The Absorbed Sub-Fund and the Receiving Sub-Fund share similar characteristics, notably in terms of target asset class, geographical exposure and investment policy, but differ in some respects, in particular in terms of service providers and countries of establishment.

The Absorbed Sub-Fund and the Receiving Sub-Fund aim to offer exposure to US large and mid-cap companies selected according to environmental, social and governance criteria and meeting the minimum requirements of the European Union "climate transition" benchmarks ("EU CTB").

Key things for the investor to remember

If you accept the terms, on completion of this transaction, you will receive, in return for your shares of the Absorbed Sub-Fund, shares of the Receiving Sub-Fund.

If, however, you do not accept the terms of this transaction, you have the option at any time, free of charge (excluding redemption fees retained by the Absorbed Sub-Fund), to withdraw within 30 calendar days of the date of receipt of this letter if you are a primary market participant (subscription/redemption directly from the management company) by requesting repayment of your shares from the management company and/or its depository, under the minimum redemption amount conditions described in the Prospectus, or to sell your current shares or the shares received in exchange on the secondary (exchange) market, under your financial intermediary's usual terms and conditions. This redemption would then be subject to the provisions of ordinary law taxation applying to capital gains made on the disposal of transferable securities. Intermediary fees may apply over which the management company

has no influence (such as brokerage fees relating to sales orders completed on the stock exchange and charged by your financial intermediary).

You may proceed with the sale of your shares of the Absorbed Sub-Fund on the stock exchange up until 16 November 2023.

Your usual contact person will be happy to help you find the solution that best matches your investor profile.
