NOTICE TO SHAREHOLDERS: Amundi Index MSCI Japan SRI PAB

**Proposed Merger of
“Lyxor MSCI Japan ESG Leaders Extra (DR) UCITS ETF” (the “Absorbed Sub-Fund”) into “Amundi Index MSCI Japan SRI PAB” (the “Receiving Sub-Fund”)**

What this notice includes:

- **Explanatory letter** of the proposed merger
- **Appendix I:** Timeline for the proposed merger

Dear Shareholder,

As part of the ongoing review of the product range competitiveness and client interest assessment, it has been decided to proceed with the merger of:

- (1) **Lyxor MSCI Japan ESG Leaders Extra (DR) UCITS ETF**, a sub-fund of the Luxembourg UCITS-SICAV Multi Units Luxembourg, having its registered office at 9 rue de Bitbourg, L-1273 Luxembourg and registered with the Luxembourg Trade and Companies Register under number B115129 (the “**Absorbed Sub-Fund**”);

into

- (2) **Amundi Index MSCI Japan SRI PAB**, a sub-fund of the Luxembourg UCITS-SICAV Amundi Index Solutions in which you own shares (the “**Receiving Sub-Fund**”);

(the “**Merger**”).

You are receiving this notice as a shareholder of the Receiving Sub-Fund. Please note that your sub-fund is receiving a different sub-fund by way of merger.

This notice is issued and sent to you to provide appropriate and accurate information on the Merger to enable you to make an informed judgment of the impact of the Merger on your investment.

Please note that the Merger will be processed automatically on the date indicated in Appendix I (the “**Merger Effective Date**”). It is not subject to your prior approval, vote or consent.

If you do not wish to participate to the Merger however, you can request the redemption or the conversion of your shares in the Receiving Sub-Fund in accordance with paragraph B. of this notice.

Please take a moment to review the important information below. Should you have any question with respect to this notice or the Merger, please contact the management company by mail sent at:

Yours faithfully,

The Board

A. Impact of the Merger on Shareholders of the Receiving Sub-Fund

On the Merger Effective Date, all the assets and liabilities of the Absorbed Sub-Fund will be transferred to the Receiving Sub-Fund. Shareholders in the Receiving Sub-Fund should benefit from the increased investment capacity in the Receiving Sub-Fund and the economies of scale this Merger should allow to achieve.

Like the Receiving Sub-Fund, the Absorbed Sub-Fund is a compartment of a Luxembourg undertaking for collective investment in transferable securities (UCITS) of Amundi subject to general investment rules substantially similar to those of the Receiving Sub-Fund. Where required, the portfolio of the Absorbed Sub-Fund will be adjusted prior to the Merger so that no rebalancing of the Receiving Sub-Fund's portfolio will be required before or after the Merger.

On implementation of the Merger, shareholders in the Receiving Sub-Fund will continue to hold the same shares in the Receiving Sub-Fund as before and there will be no change in the rights attaching to such shares. The characteristics of the Receiving Sub-Fund will remain the same after the Merger Effective Date and the implementation of the Merger will not affect the fee structure of the Receiving Sub-Fund.

Shareholders are however advised to contact a tax adviser and to clarify individually any possible tax consequences resulting from the Merger.

B. Terms and Conditions of the Merger

Shareholders who do not agree with the terms and conditions of this Merger have the right to redeem or convert their shares at any time free of charges (excluding redemption fees charged by the Receiving Sub-Fund to cover divestment fees and except for the fees acquired by the Receiving Sub-Fund to prevent dilution of shareholders investment) within 30 calendar days from the date of this notice.

Nevertheless, for UCITS ETF share classes, placing an order on the secondary market will trigger costs over which the management company of the Receiving Sub-Fund has no influence. Please note that shares that are purchased on the secondary market cannot generally be sold back directly to the Receiving Sub-Fund. As a result, investors operating on the secondary market may incur intermediary and/or brokerage and/or transaction fees on their transactions, over which the management company of the Receiving Sub-Fund has no influence. These investors will also trade at a price that reflects the existence of a bid-ask spread. Such investors are invited to contact their usual broker for further information on the brokerage fees that may apply to them and the bid-ask spreads they are likely to incur.

Such a redemption would be subject to the ordinary rules of taxation applicable to capital gains on the sale of transferable securities.

The Merger will be binding on all the shareholders of the Receiving Sub-Fund who have not requested the redemption or the conversion of their shares in the Receiving Sub-Fund in accordance with this paragraph B.

The cost of the Merger will be fully supported by the management company of the Receiving Sub-Fund.

C. Documentation

The following documents are at the disposal of shareholders for inspection and for copies free of charge during normal business hours at the registered office of the Receiving Sub-Fund:

- the common terms of Merger;
 - the latest prospectus and KIID of the Receiving Sub-Fund;
 - copy of the merger report prepared by the auditor;
 - copy of the statement related to the Merger issued by the depositary of each of the Absorbed Sub-Fund and the Receiving Sub-Fund.
