

**NOTICE TO THE UNITHOLDERS
OF
AMUNDI EURO GOVERNMENT BOND 0-6 M UCITS ETF ACC (the “Fund”)**

The capitalised terms appearing in this letter correspond to the terms defined in the Fund prospectus (the “Prospectus”).

Paris, 28 October 2026.

Dear Sir/Madam,

You hold units in the Fund, for which the management company is Amundi Asset Management (hereinafter “**Amundi**” or the “**Management Company**”).

As a reminder, the Fund is managed on an index-linked basis with the aim of replicating the performance of the FTSE Eurozone Government Bill 0-6 Month Capped Index (the “**Index**”) using a method of directly replicating the Index, which involves investing in the financial securities that make up the Index in proportions that are extremely close to those of the Index.

The bonds that make up the Index are from the universe of securities issued by governments of eurozone member states which have a maturity between 0 and 6 months and at least two investment grade ratings from the S&P, Moody’s and Fitch rating agencies, i.e. BBB- or higher from S&P and Fitch, and Baa3 from Moody’s.

The Management Company would hereby like to inform you that it has decided to make the following changes:

1. Change to the Fund’s name

With effect from **2 November 2026** (the “**Effective Date**”), the Fund’s name will be changed as follows:

The Fund's former name	The Fund's new name
AMUNDI EURO GOVERNMENT BOND 0-6 M UCITS ETF ACC	Amundi Euro Government Bond 0-6M UCITS ETF

2. Change in the Fund's investment strategy

The Fund's investment strategy will be amended to include the option for the Fund to use securities financing transactions, including securities lending transactions.

As a result, with effect from the Effective Date, the Fund may enter into securities lending arrangements.

The expected proportion of assets under management that may be subject to securities lending arrangements will be 5% of the Fund's assets under management, with a maximum daily proportion of 70% of the Fund's assets under management (the specific risks associated with using these transactions will be set out in the Prospectus).

In order to reflect these changes, the Fund’s Prospectus will be amended.
